Attention: Mr. Philip J. Meathe, FAIA

Gentlemen:

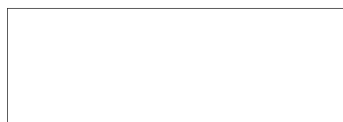

The Government has received your proposal dated
26 August 1982 for the Headquarters Building
Architectural/Engineering Design.

After a review of the above proposal by representatives of
this Agency, it has been determined that your cost figures are
grossly in excess of the Government estimates, and provides no
basis for meaningful negotiations.

Accordingly, it is requested that you thoroughly examine
your proposal to determine if in fact some gross errors have been
made. In addition, please provide detailed justifications for
any changes in your cost figures.

Your response is requested by COB 10 September 1982.

Sincerely,

Contracting Officer
